SUMMARY

BCA graduate with a blend of analytical and web development skills, including SQL, Python, Power BI, Advanced Excel, HTML, CSS, JavaScript, and MySQL. Passionate about extracting meaningful insights from data, building interactive dashboards, and developing responsive web applications. Recognized for adaptability, attention to detail, and a continuous learning mindset. Seeking to launch a successful career in data analytics or frontend development while delivering impactful business solutions.

EDUCATION

Bachelor of Computer Applications (B.C.A)	Jul 2022 - Jun 2025
Kurukshetra University	GPA: 6.2/10
Sr. Sec. Education (XII)	- 2022
Gita Girls Sr. Sec. School (HBSE)	Score: 76%
Sec. Education (X)	- 2020
Gita Girls Sr. Sec School (HBSE)	Score: 86%

TECHNICAL SKILLS

Programming Languages: C, C++, Basic Python
Frontend Development: HTML5, CSS, JavaScript, Bootstrap, REST API(Basics)
Backend Development: Node.js, Express
Databases: MySql, NoSql
Tools: VS Code, GitHub, Git, Power BI, Tableau
Other: Advanced Excel, Pivot Tables, Data Visualization

PROFESSIONAL SKILLS

- Strong organizational and time management skills.
- Exceptional communication and interpersonal skills.
- Ability to work independently and as part of a team.
- Detail-oriented and able to handle multiple tasks simultaneously.
- Problem-Solving.
- Analytical Thinking

PROJECTS

- Credit Card Fraud Detection Analysis**
Tools: Python,MySQL, Power BI, DAX
- Analyzed 10,000 transactions to identify fraud patterns across transaction amount, time, device trust, velocity, and customer age.
 - Developed SQL queries and DAX measures to calculate fraud rates, transaction metrics, and risk categories.
 - Built an interactive Power BI dashboard with KPI cards, fraud trends, risk analysis, and dynamic slicers.
 - Found an overall 1.51% fraud rate and identified higher fraud rates associated with high-risk devices and higher-value transactions.
- Spotify Clone (Frontend Mini Project)**
- Developed a responsive music Streaming website inspired by Spotify using HTML5 and CSS3.
 - Designed user interface, including navigation bar, music player layout, playlists, and responsive designs.
 - Improved frontend development skills by working with layouts, flexbox/grid, styling, and UI design principles.

EXTRACURRICULAR & CERTIFICATIONS

- Microsoft Azure Fundamentals — Microsoft | 2026**
Learned fundamentals of Azure cloud service services, security, and core cloud concepts.
- IBM SkillsBuild - AI Fundamentals (2026)**
Learned foundational Knowledge of Artificial Intelligence, and its application
- Deloitte Data Analytics Job Simulation On Forage - (may 2026)**
Completed practical tasks involving data analysis, problem-solving, and business insights.
Applied analytical and communication skills to solve real-world business scenarios.
